

## Handbook of Organic Chemistry

ISBN : 978-81-978467-0-0

### Topics to be Covered

- Classification of Organic Compounds
- Physical and Chemical Properties
- Carbonyl Complexes
- Representations of Structures
- Chemical Synthesis
- Soft Organic Biomolecules
- Natural Product Chemistry
- Thermal Equilibrium
- Nomenclature
- Electrostatic Catalysis

### Chapter Submission Guidelines

**Language:** Manuscript must be written in English language only

**File format:** Must be in Microsoft Word format

**Font:** Times New Roman, size 12, whereas title must be in 14 point size, bold

**Word limit:** Upto 8000 words

**Abstract:** Upto 300 words

**Citation/Reference Style:** APA (7th ed.) format

### Editors

**Dr. Amita (Editor-in-Chief)**  
Associate Professor & Head,  
Department of Chemistry  
Baring Union Christian College, Batala.

**Dr. Parveen Saini (Editor)**  
HOD, Department of Chemistry  
Shanti Devi Arya Mahila College, Dinanagar

**Chapter Submission Date : 15-10-2024**
